SPORTS AND GAMES

Parimal Mitra Smriti Mahavidyalaya possesses a sprawling campus with a multi-faceted sports field where students participate in various sports and physical activities. This college has one sports-ground where Training to the students is imparted under guidance of the physical education Teacher. Annual sports event is organized by the college once every year where students participate in numerous sports activities. Each year, students of the college give their best performances at various state, district, university tournaments like Athletics and football. Maintenance of sports ground and equipment, periodical checking and appropriate measures towards upgradation of the same are conducted by the deputed Sport-in-Charge.

The college has a robust sporting infrastructure with its own sporting equipments of football, cricket, volleyball, badminton etc. The students who represent the college in different sports are provided with jerseys by the college authorities. Their medical and travel expenses incurred while playing for the college is borne by the college as well. The college has a very good stock of athletic equipments including javelin, shot-puts, discus, take-off board (required for long jump), high jump bar, gymnastic mats. The trimming of the grass on the college ground is undertaken on a regular basis and the ground is kept ready for sporting activities. The college also encourages their students to participate in other activities apart from their day today learning activity for all-round, harmonious development.
