

Institutional Distinctiveness

As the only college within a radius of 30 km in a tribal belt in Western Dooars, the uplift of the local community is our prime focus.

We meet them in the classroom as our students, inherently diverse and beautiful. They represent different linguistic, cultural, religious, and most importantly different socio-economic background, a significant portion of whom are first generation learners.

We work towards their academic progress in an inclusive, amicable environment.

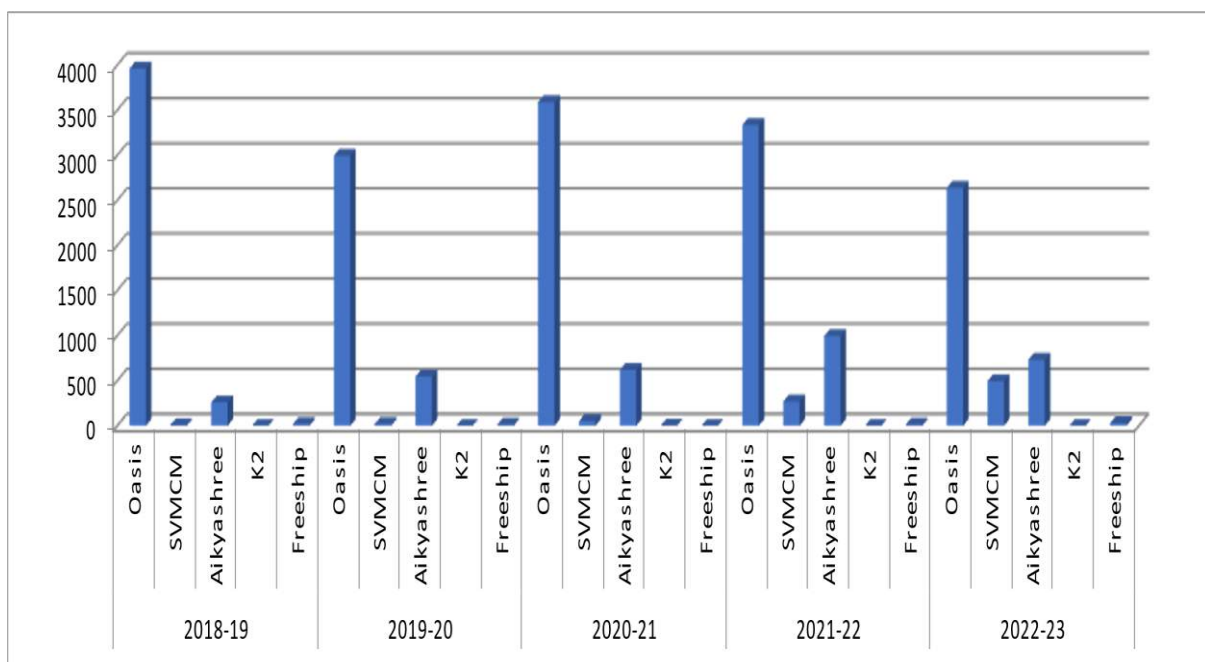

We combat their economic insufficiency through

Students' Welfare Fund and Fee Concession Policy

[Fee_Concession_Policy.pdf \(pmsm.org\)](#)

During the pandemic we reduced the tuition fee by three months for all students, thereby facilitating the guardians to meet the educational expenses in that period of job uncertainties.

We have maintained a high success rate of disbursing the different scholarships provided by the Central and State government:

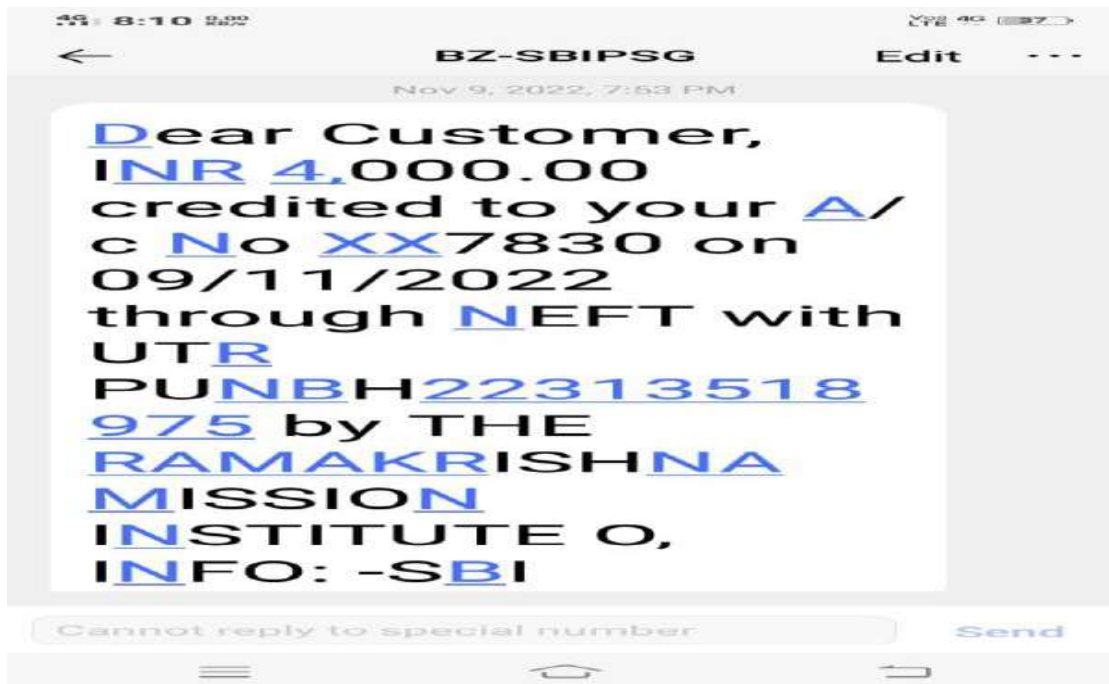

We have tapped other avenues for providing financial benefit to maximum number of our deserving students:

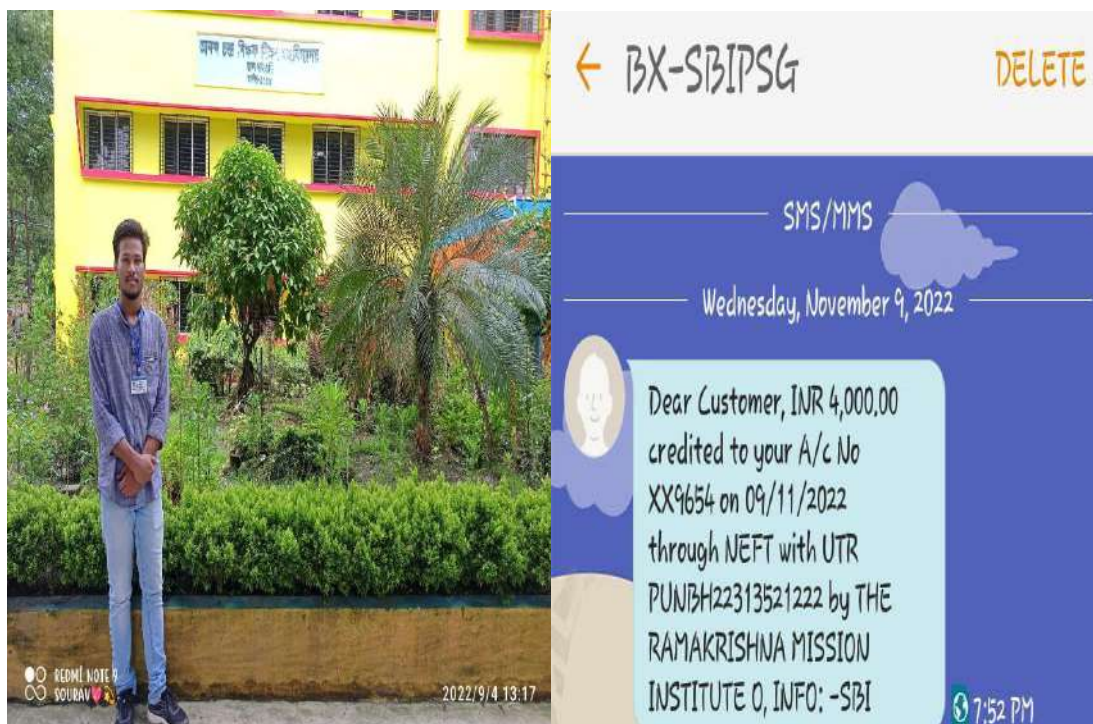

Two of our students excelled in a written test conducted by Ramakrishna Mission Institute of Culture, on September 4, 2022, for providing scholarship to the meritorious, needy students.

The Scholarship Award recipients:

- 1) Munmun Roy, 5th Semester, Department of Bengali

- 1) Md Toufiq Emroze Khaledi Sardar, 3rd Semester, Department of Bengali

We believe in holistic development of our students that goes far beyond bookish learning. We strive to generate in our children a feeling of rootedness to their community and develop in them a passion for social service.

We arrange to teach:

Parimal Mitra Smriti Mahavidyalaya
Mal, Jalpaiguri

We know the journey has just begun; our efforts are nothing when compared to the gnawing needs of the times. But we feel blessed to reach out and bond with the local community, more so when we see our young students following suit. Thus, we endeavour to train our children to be in harmony with the local community and abide by our mission of advancing together in the big, wide world.
