

Programme outcomes/Course outcomes

B.A.Honours/Programme

Programme Name: BA Programme (EDUCATION)

Programme Outcomes: Education is a fundamental human right and key driver of social and economic progress. Recognizing the importance of education, our government introduced the education system (CBCS) which is a comprehensive framework for the development of education in the country. The curriculum aims to transform the Indian education system by making it more inclusive and flexible. It also focuses on providing quality education, the overall development of students, including cognitive, social, emotional and physical development.
